Please fill out all the required questions on this online application form. Questions that are optional are clearly marked as such.

There is an option to save the form at the bottom, but we recommend downloading all questions [HERE](#) before filling out the online form, and collecting all required information, documents and answers in advance. We also recommend filling out the document on a laptop or desktop computer, instead of a mobile device.

Be aware that at the bottom of the form, you will be required to provide the following documents and web link:

- CV
- Headshot
- Personal statement
- Online video

Please make sure to check that you have the correct and final version of all documentation you're submitting, including working video links (without

password protection), as we're not able to process changes after the form has been submitted.

You will also be required to complete a Paypal registration payment of 25 EUR. This can be completed using a PayPal-account or credit card; if you live in a country where PayPal isn't operational please get in touch with us.

Do not email us your answers or documents, all registrations need to be submitted through this online form.

Any technical issues that you may have, please email amsterdam-applications@countertechnique.com.

For any other questions and for all conditions for your participation in the OBOC, please consult our [FAQ questions page](#).

Before submitting the form, please make sure to print your form at the end as a PDF – just in case you encounter any technical issues upon submitting and need to fill the form out a second time. After submitting, you will automatically be sent a copy of your application.

We look forward to receiving your application!

Scholarships

A limited number of scholarships will be available for the OBOC, which will be awarded on the basis of financial need. If scholarships are provided to you, scholarships by default will cover only 25–50% of the participation fee; only in exceptional cases will a scholarship cover 100% of the fee. Scholarships apply only to the participation fee; all participants are responsible for covering their own travel, housing and any other expenses.

Applicants who complete an official application for both LA and Amsterdam will have priority in the first round offers over those who only express their interest here, but we encourage you to let us know here if a transfer to Amsterdam is something you'd want to consider at a later point.

Would you be interested and available for the OBOC LA (3–14 June)? *

- No, I'm interested and/or available only for the OBOC Amsterdam

the OBOC LA, and I will apply separately for the OBOC LA to be considered for the first round offers there as well.

Are you considering to apply for the Countertechnique Teacher Training from 9-22 August in Amsterdam? Participation in either OBOC LA and OBOC Amsterdam is mandatory in most cases to be eligible for the CTTT; both events are equally suitable for this purpose. *
