Please fill out all the required questions on this online application form. Questions that are optional are clearly marked as such.

There is an option to save the form at the bottom, but we recommend downloading all questions [HERE](#) before filling out the online form, and collecting all required information, documents and answers in advance. We also recommend filling out the document on a laptop or desktop computer, instead of a mobile device.

Be aware that at the bottom of the form, you will be required to provide the following documents and web link:

- CV
- Headshot
- Personal statement
- Online video

Please make sure to check that you have the correct and final version of all documentation you're submitting, including working video links (without password protection), as we're not able to process changes after the form has been submitted.

You will also be required to complete a registration payment of \$25 through Gibney's online payment system.

Do not email us your answers or documents, all registrations need to be submitted through this online

form.

Any technical issues that you may have, please email classes@gibneydance.org.

For any other questions and for all conditions for your participation in the OBOC, please consult our [FAQ questions page](#).

Before submitting the form, please make sure to print your form at the end as a PDF – just in case you encounter any technical issues upon submitting and need to fill the form out a second time. After submitting, you will automatically be sent a copy of your application.

Travel, health & safety

Gibney has developed thorough operations and safety plans for reopening amid the COVID-19 pandemic. These plans are forward-thinking and flexible, incorporating all the knowledge and resources made available to us by the State of New York, the CDC, WHO, and the guidance of experts in the fields of medicine, operations, HVAC, and sanitation. To uphold our collective safety and align with the New York City mandate for all gyms, performance venues, and indoor dining establishments, Gibney will require proof of full vaccination.
